25.11.1933 and another grant of Rs 1000
per annum has also been sanctioned and
continued for a period of 3 years from 1935-36 B
to the Vani Vilas Maternity and Child
Welfare Centre, both the grants being
met from the Chattram Savings Fund.

"All these amounts have to be
drawn on single bills by the presidents
of the two Trusts, as required by the rules,
and these bills must be countersigned
by the Huzur Commissioner before payment
is authorised by the Audit Office. In
his first letter dated 15.6.1936 the H.C para 1
has recommended that the formality
of his Countersignature may, for reasons
explained by the president of the Trust
be waived as a special case in respect
of the Gurumba Trust, about which
the reference has specifically made by
the H.C to Government.

"Coming to the difficulties of keeping
separate accounts for the different branches of
Gurumba Trust that are maintained out of
different endowments, it is proposed by
the Management that all the accounts should
be merged into one, subject to the
condition that care has taken that the
income derived from endowments for
special purposes has allocated to those
purposes only.

4) The following are the points requiring orders of Govt, as recommended by the M.C

(i) the formality of Countersignature of the M.C for the bills on which the Earmarked grants of the Trusts are drawn may be waived;

(ii) the two grants of Rs 1000/- each payable to the Gunamba Maternity and Child Welfare Trust and the Vani Vilas Maternity and Child Welfare Centre may be merged into one;

(iii) the payments of these two grants may be made annual instead of monthly

(iv) a copy of the budget of the Trust together with a copy of the audit report on the accounts of the Trust may be accepted as sufficient fulfillment of the conditions imposed.

(v) the auditor should give a certificate with his audit report for the year to the effect that the conditions of these endowments had been specifically fulfilled; and

(vi) the condition laid down in the Govt's dated 6.2.1936 that the grant to the Vani Vilas Maternity and Child Welfare Centre be limited to one-third of the total cost, be deleted, as the expenditure of the entire Trust approximates to Rs 22000 of which Rs 2000/- contributed by the Municipality

The Financial Secretary will have to be consulted in the matter before orders. It is a point for consideration whether it is desirable that the countersignature of the Treasury officer for the grant given to the Trust out of the Chatham Savings Fund should be dispensed with. In other depts. grants given to aided institutions require the countersignature of the head of the Dept.

29.7.36.

The reason why the Comptroller wants the countersignature is in order to enable the Audit Office to satisfy itself that the grant in the case of the Gumamba Maternity is utilised for the purpose for which it is meant and that in the case of the Child Welfare Centre it does not exceed one-third of the total expenditure incurred.

Sir Charles Todhunter, the President of the Trust, suggests that both the grants may be merged into one, payments may be made annual instead of monthly and a copy of the budget of the Trust with a copy of the audit report may be accepted as sufficient fulfilment of the conditions imposed.

The R.C. requests sanction to these proposals and also to the condition about the grant being limited to one-third of the total expenditure being deleted.

The proposals may be sanctioned with financial concurrence.

(1) Both the grants may be merged into one with the grant to the Gumamba Trust coming up for renewal at the close of the current year, as the accounts of both the above institutions are proposed to be kept together and their affairs managed by the same agency.

2. Payment of these grants may be made annually in June instead of monthly.

3. In respect of the grant of Rs.1,000/- to the Vani Vilas Centre, Government have laid down at present the condition that this should be limited to one-third of the total expenditure of the Centre. As this restriction has been imposed by Government in the recent sanction, the question of giving it may be considered, if it is not found necessary on administrative grounds, at the expiry of the present sanction. As it is necessary to verify in audit the observance of this condition, and as in this particular case the fund is administered by the Private Secretary to His Highness the Maharaja of Mysore, countersignature on the bill for drawing the grant may be waived as a special case as proposed and copy of the annual report on the working of the Trust and the accounts as audited by a certified auditor, to be furnished to this office. The matter should be tested by the President in para 3 of his letter specially certify in his report that the expenditure of not

I agree with 'A' in the Comptroller's note. When the grant is proposed to be drawn annually in arrears, it is not clear why the bill cannot be got countersigned by either the Deputy Commissioner or the Assistant Commissioner, in token of his having satisfied himself that the grant has been utilised for the appropriate purpose. All grant-in-aid bills are required to be countersigned by the concerned departmental officers, and audit depends upon the departmental officer's certificate in respect of claims of private and public bodies. Countersignature by them should not be dispensed with.

Muzrai Commissioner in Mysore

MUZ 85-34-1

To

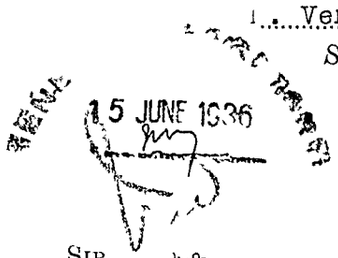
Secretary to the Government of His Highness
the Maharaja of Mysore,
General *Department.*



SIR,

Grant-in-aid payable to the Gunamba Maternity and Child Welfare Trust, Mysore.

With reference to G.O.No.757-3/Muz.130-33-2 dated 27/28th November 1933 sanctioning the continuance of the above for 3 years from 1934-35, I have the honor to forward herewith a copy of letter No.870/FAD 32 dated 12th May 1936 from the Comptroller to Government together with the marginally noted file of this office, and to state that for reasons fully explained in the President's letters of the 7th January and 2nd April 1936, the Comptroller to Government was requested to waive the formalities of countersignature to the monthly bill as a special case. But in his latest communication referred to above, he states that he would still prefer to have the bills countersigned either by me or the Deputy Commissioner. The Trust being situated in Mysore, it is obviously inconvenient for me to take the responsibility to countersign the bill. Even as regards the countersigning by the Deputy Commissioner, it seems to me that it is not necessary as the annual grant to this Trust is not fettered by the limitation that it represents the one-third of the total expenditure of the institution as in all other cases, but it is an outright lumpsum grant meant to supplement the several other items of revenue. In view of these considerations and of the assurance given by the President, I request that formality of countersignature

No.D2 Dis.1030/35-36 dated 24th April 1936.

Letter No.873/TAD B 2 dated 12-5-36 from the Comptroller to the Government Mysore to the Muzrai Commissioner in Mysore.

With reference to correspondence ending with our letter No.D3 Dis.1030/36 dated 21-4-1936 enclosing a copy of the letter No.1460 dated 3-4-1936 from the President, Gunamba Maternity and Child Welfare Trust, Mysore, I have the honor to state that while there is no condition attached to the payment of the grant to Gunamba Maternity and Child Welfare Trust, Government have directed in G.O.No.1076-77/Muz.104-35-2 dated 6-2-36 that in the cases of Vani Vilas Maternity and Child Welfare Centre at Mysore, the annual contribution of Rx Rs. 1,000 is limited to one-third of the total expenditure as laid down in G.O. No.2159-60/Muz.347-27-2 dated 26-5-1928.

As already stated in my letter No.630/TAD.B.II dated 11-5-1936, it is the duty of the Audit Office to satisfy itself that the grant is to utilise for the purpose for which it is meant and also in the latter case xxx that it does not exceed the one-third limit prescribed.

In these circumstances, I would still prefer to have the bills countersigned either by you or Deputy Commissioner in token of the above. Payments will be arranged either monthly or annually just as it suits you.

GENERAL
24 JULY 1936

SIR,

Grant-in-aid of Rs.1,000 per annum payable to each of the Gunamba Maternity and Child Welfare Trust and the Vani Vilas Maternity and Child Welfare Centre at Mysore from the Chattram Savings Fund.

In continuation of my letter No.C.1531/35-36 dated 15-6-1936 recommending that, as a special case, the formality of Muzrai Officer's countersignature in respect of the grant-in-aid bills of the Gunamba Maternity and Child Welfare Trust at Mysore may be waived, I have the honor to forward herewith a copy of letter No.1169/3 dated 26th June '36 from the President of the Trust with its enclosures and to state as follows:-

2. The President states that owing to the difficulties of keeping separate accounts for the different branches of Gunamba Trust that are maintained out of different endowments, it was resolved at their Annual Meeting to merge the whole of the accounts into one, subject to the provision that care was taken that the income derived from endowments for special purposes was allocated to those purposes. He therefore suggests

(i) That the two grants of Rs 1,000 each payable to the Gunamba Maternity and Child Welfare Trust and the Vani Vilas Maternity and Child Welfare Centre may be merged into one;

(ii) that the payments be made annual instead of monthly; and

(iii) that a copy of the budget of the Trust together with a copy of the audit report on the accounts of the Trust be accepted as sufficient fulfillment of conditions imposed.

3. In view of what is stated by the President and of the fact that the entire accounts are merged in the Gunamba Trust of which the

14

Vani Vilas and Maternity and Child Welfare Centre is a branch and that the amount contributed from the Chattram Savings Fund has not been earmarked for special purposes, I recommend that both the grants paid to the Gunamba Maternity and Child Welfare Trust and the Vani Vilas Maternity and Child Welfare Centre may be merged into one and that the condition that the grant to the latter should be limited to one-third of the total cost deleted, as the expenditure of the entire Trust approximates to R 22,000 against Rs 2,000 contributed by the Muzrai Department. I further recommend that the President's other proposals may also be approved for reasons explained by him and in this office letter of the 13/15th June 1936.

I have the honor to be,

Sir,

Your most obedient servant,

M. A [illegible]

Assistant Commissiomer
For Muzrai Commissioner.
(Absent from headquarters)

23/7/36

No.1169/3 dated 26-6-36 from the President, Gunamba Maternity and Welfare Trust, Mysore, to the Muzrai Commissioner in Mysore.

In answer to your letter No.C.788 dated the 14th February 1936, in which you have asked me to send you a copy of the budget of the Vani Vilas Centre in order that you may be satisfied that the expenditure is more than three times the gran of Rs 1,000 so kindly given out of the Annachatram funds, I have the honor to forward herewith a copy of the Annual Report of the Gunamba Maternity and Child Welfare Trust and the Mysore City Branch of the Indian Red Cross Society for the year 1935, to which is attached a copy of the budget for 1936, as also a copy o the proceedings of the general meeting approving the report and the budget. It will be seen from these documents that the condition in question is amply fulfil ed.

In this connection, I would venture to suggest a slight simplification in the arrangements relating to the two grants which are now given, one to the Gunamba Trust generally, and the other to the Vani Vilas Centre.

As will be seen from the Annual report, the Gunamba Trust, which works with the Mysore City Branch of the Red Cross Society, manages six Maternity and Child Welfare Centres and four Nursery Schools and incurs an expenditure of approximately Rs 22,000 a year. Owing to the difficulties of keeping separate accounts for the different branches of work that are maintained out of different endowments, it was resolved at the annual meeting to merge the whole of the accounts into one, subject to the provision that care was taken that the income derived from endowments for special purposes was allocated to those purposes. And it was further directed that the auditor should give a certificate with his audit report for the year to the effect that the conditions of these endowments had been specifically fulfilled.

These being the circumstances, I have the honor to suggest that it would be much more convenient for your office as well as for mine if it could be arranged for the two grants of Rs 1,000 each, to be merged into one, that the payments should be made annual instead of monthly, and that a copy of the budget of the Trust, together with a copy of the audit report on the accounts, should be accepted as sufficient fulfillment of the conditions imposed.

Should there be any other particulars which would be useful in connection, I shall be glad to comply with any request for furnishing them.

Meanwhile, I enclose a statement of the actual expenditure for 1934-35 and the budgetted expenditure for 1935-36 for the Vani Vilas Centre alone, together with a bill for the grant for 1935-36 and shall be much obliged if you will kindly instruct the District Treasury Officer, Mysore to disburse the grant.

Bangalore, dated the 15th October 1936.

Owing to the difficulty of keeping separate accounts for the -- different branches of work carried out under the endowments the President of the Trusts has made certain proposals for amplifying the arrangements relating to the two grants and the Muzrai Commissioner has -- recommended that:-

(i) the two grants of Rs. 1,000/- each payable to the Gunamba Maternity and Child Welfare Trust and the Vani Vilas Maternity and Child Welfare Centre at Mysore may be merged into one

(ii) the payment of these two grants may be made annually instead of monthly as at present;

(iii) a copy of the budget of the Trust together with a copy of the audit report on the accounts of the Trust may be accepted as sufficient fulfillment of the conditions imposed;

iv) the Auditor should give a certificate withhis audit report for the year to the effect that the conditions of these endowments have been sufficiently fulfilled;

(v) the condition laid down in Government Order dated 6th - - February 1936 that the grant to the Vani Vilas Maternity and Child Welfare Centre be limited to one-third of the total cost be delated, as the expenditure of the entire Trust approximates to Rs. 22,000/- against Rs. 2,000/- contributed by the Muzrai Department; and

(vi) the formality of countersignature of the Muzrai Commissioner (or the Deputy Commissioner, Mysore District) for the bills on which the sanctioned grants of the Trusts are drawn may be waived.

Government are pleased to sanction proposals (i) to (v) referred to above.

As regards the last proposal, it is observed that all grant-in-aid bills have tobe countersigned by departmental officers as audit depends upon their certificates for the assurance that the conditions of the grant have been fulfilled. Countersignature by the Muzrai - - Commissioner will therefore continue. The certificate given by the Auditor and the President of the Trusts would give the Muzrai Officers the information required to enable them to countersign the bills.
